

FORTNIGHTLY PUBLICATION — MAY 19—JUN 1, 2017

The Memorial Day celebration started after the Civil War and established our National Cemeteries. In May of 1868, General James Garfield made a speech at Arlington, and 5000 participants decorated the graves of 20,000 Union and Confederate soldiers

Please be there to hear our own residents sing, recite and play instruments, all dedicated to our veterans. Lunch buffet, bridge and a movie will follow – see below.

### **Recognition for Manor Residents**

#### **George Wilson**

George Wilson, a founding member of Communities for Sustainable Monterey County in the fall of 2005, was also instrumental in starting Sustainable Carmel Valley. George's thoughtful and insightful input contributed invaluably to the formulation of our vision of a community living sustainably, an imperative demanded by the reality of climate change. George, a man of action, has devoted countless hours and boundless energy promoting sustainability. On behalf of CSMC he has organized public programs, done public outreach at Earth Day Fairs and other environmental events, marched in parades, and much much more. CSMC is honored to recognize George as one of our most dedicated members and we express our gratitude for his invaluable contribution to our organization.

Leslie Geyer On May 24, the Carmel-by-the Sea Rotary Club will present the J. O. Handley Award to Leslie Geyer at a lunch at the Carmel Mission Inn.
